PREAMBLE

India is one of the largest growing economies in the world. However, it continues to be deluged with various problems and challenges of poverty, health hazards, environmental degradation, illiteracy, poor educational standards, inadequate infrastructure, power crisis gender bias and the largest number of undernourished children as well as uneven distribution of wealth which many believe, is the root cause of social unrest.

The concept and need for Corporate Social Responsibility (CSR) has gained prominence from all avenues. The Government as well as regulators has framed various guidelines pertaining to responsibilities of business as well as the mandatory Corporate Social Responsibility provisions under the Companies Act, 2013 and rules made there under.

It is recognized that integrating social, environmental and ethical responsibilities into the governance of businesses ensures their long term success, competitiveness and sustainability.

This approach also reaffirms the view that businesses are an integral part of society and have a critical and active role to play in the sustenance and improvement of healthy ecosystems, in fostering social inclusiveness and equity, and in upholding the essentials of ethical practices and good governance.

Silverlink Technologies Private Limited ("Silverlink"), believes that in alignment with its the vision, Silverlink through its CSR initiatives will continue to enhance value and promote social sustainability, sustainable development of the environment and social welfare of the people and society at large, more specifically for the deprived and underprivileged persons.

CSR VISION STATEMENT

Silverlink, through its CSR initiatives, strives to create value in the society and in the community in which it operates, through its services, conduct & initiatives, so as to promote sustained growth for the society and community.

OBJECTIVE

The main objective of CSR policy is to make CSR a key business process for sustainable development of the society. Silverlink will act as a good corporate citizen and aims at
